The music-loving people of Wichita will be glad to learn that Miss Annie C. Reel, the popular soprano of the First Presbyterian church, has consented to engage in professional work, her specialty being voice training and piano technique. Miss Reel has enjoyed rare opportunities in instruction from a number of acknowledged masters, and she comes to us with strong testimonials as to her own tact and ability in teaching. Those who know whereof they speak say that Wichita is rapidly becoming a center of musical culture, and with this growing interest in the divine art we feel safe in promising to Miss Reel a liberal patronage on the part of those who devote a portion of their time to this delightful study.
